I agree that, if the staff at Arnold Creek Cat Retreat sees fleas or evidence of fleas on my cat during his/her stay, they may apply Advantage and move my cat to a clean room. I understand this will incur an additional fee. In the event that my cat develops symptoms that suggest he/she may have an infectious disease or some other illness, I understand that Arnold Creek Cat Retreat will attempt to contact me or my local contact person. In the event that neither I nor my local contact person can be contacted, I authorize Arnold Creek Cat Retreat to seek the advice of the above named veterinarian or another veterinarian if the above named is unavailable. I expect Arnold Creek Cat Retreat to follow the veterinarian's advice. I accept total responsibility for any and all veterinary fees incurred. I understand that any visit to the veterinarian's office on behalf of my cat will incur a \$50.00 round trip fee.
